Where Legends Live Forever

2003

No Such Thing

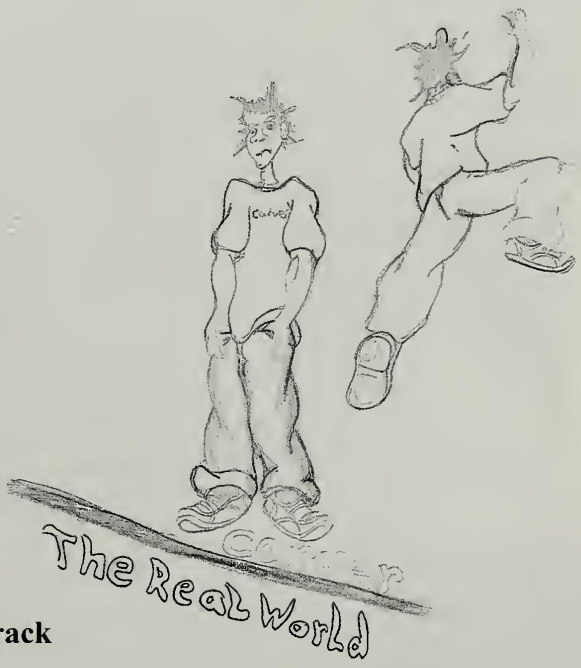
words by John Mayer

"Welcome to the real world"
she said to me condescendingly
"take a seat, take your life
plot it out in black and white"

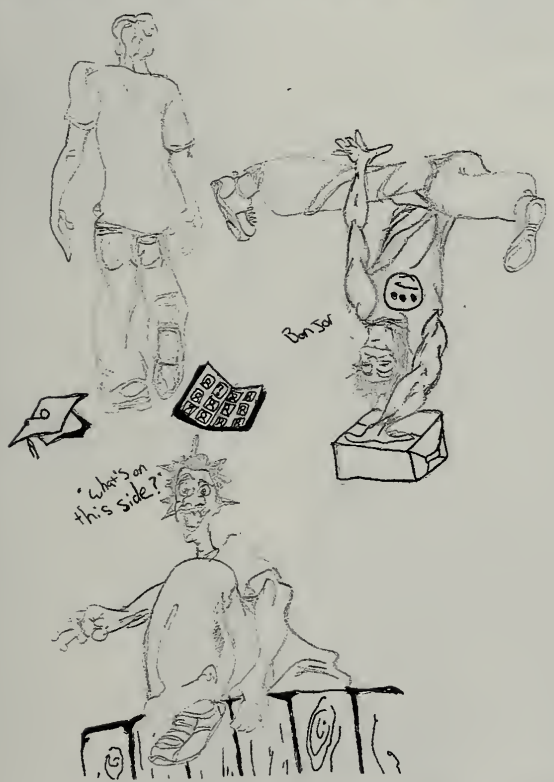
Well I never lived the dreams of prom kings
and the drama queens
I'd like to think the best of me
is still hiding up my sleeve

They love to tell you "stay inside the lines"
but something's better on the other side

I want to run through the halls of my high school
I want to scream at the top of my lungs
I just found out there's no such thing as the real world
just a lie you've got to rise above



So the good boys and girls take the so-called right track
faded white hats grabbing credits, maybe transfers
they read all the books but they can't find the answers
all of our parents, they're getting older
I wonder if they've wished for anything better
while in their memories, tiny tragedies



They love to tell you "stay inside the lines"
but somethings better on the other side

I want to run through the halls of my high school
I want to scream at the top of my lungs
I just found out there's no such thing as the real world
just a lie you've got to rise above

I just can't wait for my ten year reunion
I'm gonna bust down the double doors
and when I stand on these table before you
you will know what all this time was for

DEDICATION

Dedication is defined as having committed oneself to accomplishing a specific purpose. Therefore, the senior class would like to dedicate the 2003 yearbook to a very special person, Vice Principal, Rocco Palladino. For thirty-four years of committment to the education and support of students in the Plymouth and Carver communities, Mr. Palladino has been a role model for many and a friend to all. We wish you all the best.

With gratitude and heartfelt thanks,
The Class of 2003

Class Poem
By Melanie Terrill

Once we were pairs of tiny restless feet
tapping aging preschool linoleum.
We dreamed of fairy tales,
movies
and adventures
and cried upon hearing "no".

Then rock stars and clothing brands and leaders
molded us by misleading labels,
and class rank and sweaty old sports uniforms.
The web of our friendships
that spun so intricately were torn apart
and replaced by makeshift threads.

Now we are pairs of shining eyes
leaving behind old socks and snowboots.
No longer holding onto fairies and imaginary friends
but dreams of tomorrow.
We sit here entangled in friendships
taking some for the future
and leaving room for additional webbing.
Memories locked tight in colored ink photographs
remember-whens and
on the vivid life-like film strips of our minds.
Restless eyes put to use
examining and creating paths that our webs follow.
Cool salt filled tears spill past our eyelids
at the word "goodbye".
We will sit together for one last time
bouncing restless feet against the wooden stage.

We are looking foward to a successful season. The team progresses more and more everyday, and we are doing really well for a squad of mostly new people. We have been getting alot of support from our coach, the parents and our friends. This season is going to be alot of fun, everyone works well together and respects each other and we can't wait to compete!

Although the football team struggled through a 2-7 season, the team still made the best of it with a lot of pride and heart demonstrated on the field. The team was led by co-captains Keith Hooley and Greg Righter, as well as a solid group of seniors including: Eli Horrigan, Alex Tiberii, Nick Thatcher, Rob Shaw, Dan Cedrone, and Steve Cook. Head Coach, Mike Fraccalossi added three new coaches to his staff: Coach Jocko Rooney, Coach Armandi, and Coach Burgess. Co-Captains Keith Hooley and Greg Righter were both selected as South Shore League All-Stars.

The Lady Crusader *2002* Field Hockey Team

The Lady Crusader field hockey team ended the 2002 season with their best record ever in CHS field hockey history. Our head coach, Renée Grennell, and our assistant coach Donna Eddy, both played a tremendous role in our success. As the youngest team in the league, we managed 16-3-1 as our final record. Although we could not beat Harwich, which cost us the South Shore League title, *we are still champions.* Julianne Burns, Kristin Stemple, Brandi Cataldo and Kathleen Pinto were our South Shore League All-Stars this season. Leaving the team this year are four seniors: #22 Julianne Burns, #7 Brandi cataldo, #3 Laura Sims and #4 Kristin Stemple. Captains for the last two seasons: Kristin, Jules and Brandi have enjoyed the time with their team. The senior contributions led us to a sucessful record and have left many memories. Juniors: Kathleen Pinto, Kendal Alsheimer, Valerie McLaughlin, Sarah Aguiar, Nicole Babcock and Goalie: Jenna Mulrady. Sophomores: Andrea Rafferty, Lindsay Hobbs, Ashley Philip, Nicole Lunetta and Sarah Pooler. Freshman: Stacy Burns, Kayla Burns and Leanna Dilorio.

Second Annual Girl's Powder Puff Football Game
November 27, 2002

Susan Weston, Megan Raymond, Kym Bell, Justine Hill, Kristin Stemple, Christina Doherty, Melissa Harris, Bekki Mccuch

This year, the second annual Powder Puff football game was better than ever. It was snowing, we were all wet and cold, but that didn't stop forty senior and junior girls from getting down and dirty on the Purchase Street field. Even though this was not an organized school event, more people attended than any other school activity I've ever been to. The parking lot, at the field, was completely filled and the fans were pumped for the game. The snow was flying, as the junior girls suffered from the tackle strategy of the seniors over and over. Once again, for the second year in a row, the senior girls achieved victory.

Carver High School Gymnastics...What a season

We began our season with record high scores and undefeated 5-0, until our all star gymnast/co-captain Steve Cudworth took a spill on the floor and tore his ACL in his knee. That did not stop the team from improving and shining, it was greater incentive to strive for our personal bests. With our coach ready to deliver her baby girl, Alexis Rose at the end of the season and a very promising team, the season is looking up. We will have a championship banner in the gym at least in the next few years.

Those include captains Chris Spicer, forward Sean Buffington, defenseman Adam Lauzon, and goaltender Robert "Buzzy" Thibodeau. The season is going well thus far, and with the help of young talented sophomores Paul Hasenfuss and Jason Mahoney, the future looks bright.

One phase ends,
and another begins.
Slipping through Blistered sturdy Bingers
into a blurry future pool.

unclear,unsteady steps are taken on the quicksand, earth
smiles and tears are mixed into oblivion.

Suddenly,you can grasp that life is moving forward never
behind-never behind, never lost or permanantly scarred.

Dreaming is simple but molding the clay into the smoothest
figure-entirely possible-strangely unfamiliar, requires
motivation.

the phase is complete education and parental guidance left
imprints which you will carry forever stepping into the
untrodden ground
as it steadies beneath bare feet.

You are faced with the future and you can mold it into what
you can please,but the steps taken bring you to where you
shall be tomorrow.

Justine Hill

How can it be, that time has truly decieved me. In a blink of an eye, a moment in time, a single beat of my heart, my baby has grown and it is now time to part. It was only yesterday that God gave a gift of love to me, now I know, God only loaned you to me and I must let you go and allow you to just "be". You must now give away what has been given to you, the world awaits someone special like you, make your mark, make a difference, start something new and see it through. "I'll love you forever, I'll love you always, as long as I am living, my baby you'll be". Love Mom

Remember.. always a gift only remains a gift if you give it away.

Justine,
I am so proud of you and all you have accomplished. No matter what you decide to do in life, I will always stand by you. You are more than just my sister, you are my best friend.
Love always, Julie

Music

From hip-hop to electronica, pop to rock, no one musical genre dominated the airwaves and headphones of America. The year saw new albums from Moby, Red Hot Chili Peppers, Eminem, Leann Rimes and many more. Kelly Clarkson's career as a chanteuse took off, Lance Bass was grounded as a cosmonaut, Ozzy showed why he's an iron man, and Triumph marked his territory at the VMAs.

Forget East Coast vs. West Coast

It's rapper versus puppet as Triumph the Insult Comic Dog has a run-in with Eminem's posse on MTV's Video Music Awards.

Britney not so caliente

The divine Miss Spears is booed in Mexico City after she bails her concert just four songs in.

Still red hot

Flea and Anthony continue to assault eardrums and find creative uses for socks on the new Chili Peppers album, "By the Way."

Don't tell Elvis...

Kelly Clarkson becomes the first "American Idol" and hits #1 on the Billboard singles chart.

Bye bye bye!

Lance Bass trains to become the first member of a boy band in orbit. But when he fails to pony up the $20 million fee, the Russians say "nyet!" and send him home.

Something to Crow about

Sheryl Crow performs at the One World, One Child Benefit Concert in Beverly Hills.

Science

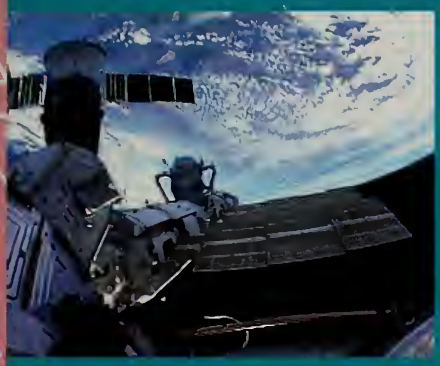
The past year might be remembered as the one in which science fiction met science fact. Our good friends in the white lab coats discovered that dogs could count, fish could walk, and sharks really wanted nothing to do with zebras. Who knew? Humans made a few headlines as well, with balloonist Steve Fossett circling the globe at several thousand feet and the space station crew circling it just a bit higher.

Zebra, king of the ocean?

Scientists discover that great white sharks are repelled by zebra striping.

Around the world in 14 days

After some 21,000 miles and two weeks aloft, Steve Fossett becomes the first person to circumnavigate the globe in a balloon.

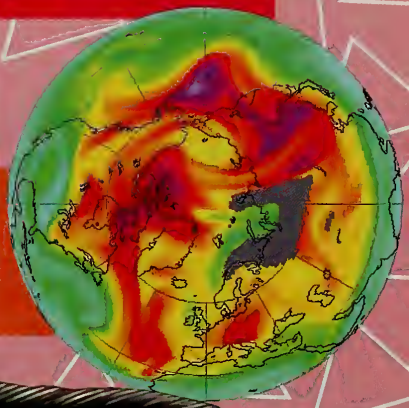


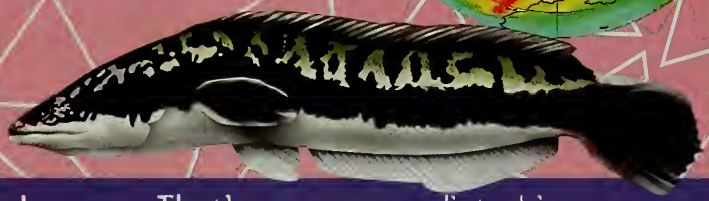
A long way for pizza delivery

The International Space Station receives its fifth three-person crew, who live and work in orbit for four straight months.

Well, that's disturbing

Meteorologists discover that the Antarctic ozone hole has divided into two parts that are spreading away from each other.





The dog did my homework

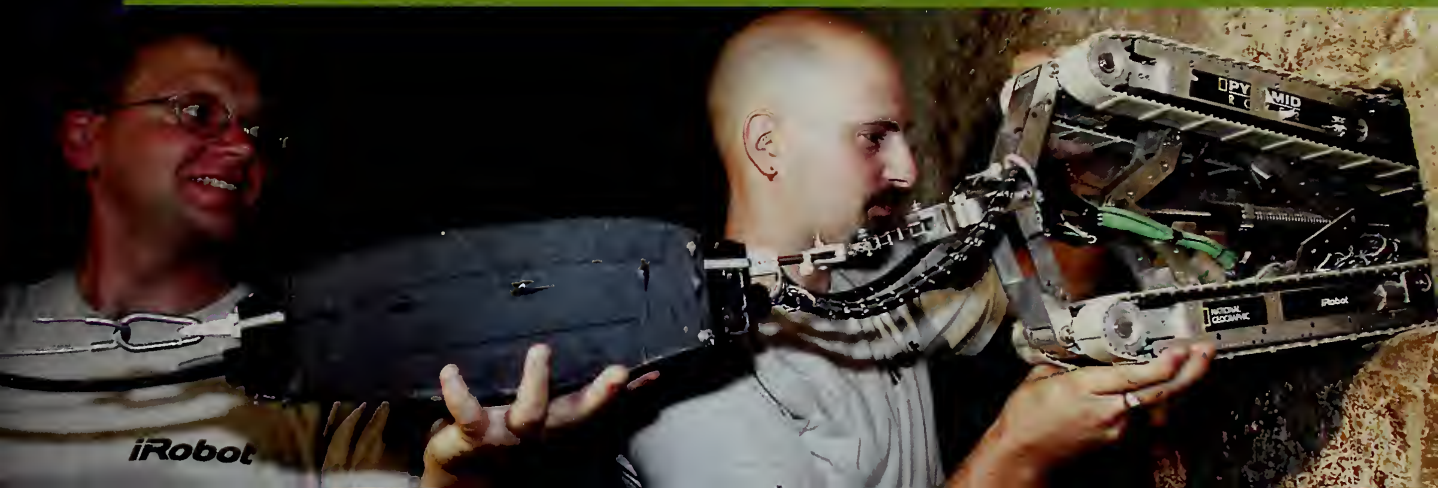
Researchers at UC-Davis theorize that dogs have basic math skills, including the ability to count. No word on differential calculus.

That's even more disturbing

The snakehead, a.k.a. the "Frankenfish", is discovered in eight U.S. states. The Chinese fish can walk on land and decimate native ecosystems.

Walk like an Egyptian

Scientists employ a camera-toting robot to enter a previously inaccessible secret chamber of Egypt's Great Pyramid.



Trends

Styles past and future, cheap and chic blended to make the year interesting for the trend-conscious. Denim made a comeback for the 287th time in history, while new electronic devices offered functionality that James Bond would envy. Not to mention that the modern look of Starck and Oldham hit traditional department stores, surfers hit suburbia, and lots of teen girls happily got mud on their faces.

It's, like, totally exfoliating!

Seventeen magazine opens its first spa dedicated exclusively to teens just outside of Dallas, Texas. www.seventeenspa.com

Who cares if we live in Ohio?

Surf/skate fashion is cool, with brands such as Ezekiel, Hurley, and BC Ethic making a big splash on the half-pipe.

Feeling blue?

Denim is in, from jean jackets to hip-huggers, hats to handbags.

Fire up those synapses

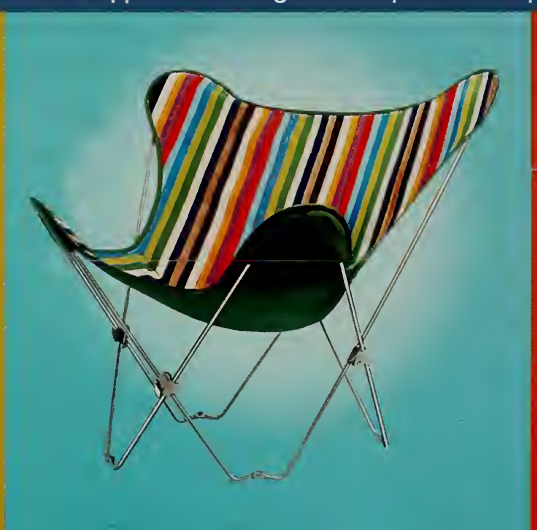
Gaming goes to the next level with Gamester's massively customizable Xbox Reflex Arcade Stick.

You will be integrated

High-tech worlds converge as new devices blend capabilities of the cell phone, MP3 player, camera, and PDA.

It's pronounced "Tar-zhay"

International designers Todd Oldham and Philippe Starck bring their unique looks to products at Target.



Television

Simon says...
Kelly Clarkson, Justin Guarini, and Nikki McKibbin vie for the top spot on "American Idol: The Search for a Superstar."

The blue light continued to mesmerize viewers with lots of big departures, epic celebrations, and naughty puppets. The cast of "Friends" waved so long to their $1-million-per-episode contracts (or did they?), while "SNL" lost its #1 George Dubya impersonator. NBC dominated the Emmy Awards, Fox dominated the market for Comedies Set Three Decades Ago, and "Crank Yankers" made us all afraid to pick up that phone call.

Bell-bottoms, bell-bottoms everywhere...
The Fox hit "That 70s Show" celebrates its 100th episode with a flurry of polyester and feathered hair.

Bad puppet! Bad, bad, puppet!
Never let a puppet use your calling card—"Crank Yankers" debuts on Comedy Central.

Gimme an L! Gimme an A T E R!
Will Farrell jumps the "SNL" ship and takes his cheerleader sweater with him. Let's hope it's not for "Another Night at the Roxbury."

The Emmy Awards
Conan O'Brien hosts as NBC wins big with 24 awards, including nods to "Friends" and "The West Wing."

Friends no more?
Joey, Rachel, and the rest of the "Friends" weigh whether to return for one more season of their insanely successful show.

News

America spent much of the year remembering those lost in last year's terrorist attacks and studying ways to bolster national security. Congress and President Bush debated responses to the Israeli-Palestinian conflict and allegations that Iraqi leader Saddam Hussein was building weapons of mass destruction. Meanwhile, forest fires raged across Arizona and other states, threatening thousands of homes and millions of acres of parkland.

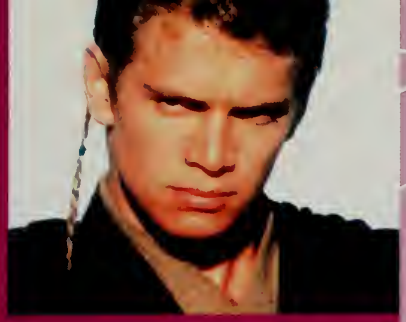
Movies

The word in Hollywood? Sequels. Samuel L. Jackson and a digitized Yoda drew their light sabers for "Star Wars Episode II," while the fellowship continued its dangerous mission in the follow-up to "The Lord of the Rings." Will and Tommy Lee kept the universe safe for another summer as Mike Myers went for another groovalicious turn as Austin Powers. There were also a few original flicks, including a sci-fi thriller from Steven Spielberg and new creepiness from the director of "The Sixth Sense" and "Unbreakable."



When good Jedis go bad

"Star Wars Episode II: Attack of the Clones" continues the saga of Anakin Skywalker's fall to the dark side.

"The Two Towers"

Elijah Woods is back with furry feet and dangerous cargo in the second installment of "The Lord of the Rings" trilogy.

Do you see the "Signs?"

Mel Gibson stars in M. Night Shyamalan's imaginative tale of crop circles and little green men.

Bourne clueless

Matt Damon battles amnesia and bad men with guns in "The Bourne Identity."

Once bitten...

Back in black

Will Smith and Tommy Lee Jones suit up to save the planet...again... in "Men in Black II."

Oh, behave!

Mike Myers and Beyonce Knowles get their retro groove on for the third Austin Powers movie, "Goldmember."

Sports

It was another big year for world and U.S. sports. Fans across the globe stayed up late, got up early, and tuned in to live broadcasts of the World Cup from Japan and Korea. Ronaldo helped Brazil hoist the Copa Mundial after a disappointing loss to France four years earlier. Americans had their fair share of epic victories as well, with Lance rolling through the Champs-Elysées ahead of his European rivals and Serena Williams dominating the world tennis scene.
